

Annual Report 2021-2022

# Future Under Construction

Click [HERE](#) to read the full report

## Goals & Progress

A focus on how the organization achieves its mandate of providing safe, efficient and reliable cross-harbour transportation infrastructure.

## Responsible Spending

In 2022, HNB had its first toll increase in a decade. It also marked the start of the most aggressive maintenance and capital program since the Big Lift.

## Feature Items

People are still captivated by Halifax's bridges and see them as more more than just transportation links -- they're icons.
