

Step-By-Step Guide - How to Update Your Credit Card Information

Updating Your Payment Info on the MACPASS App

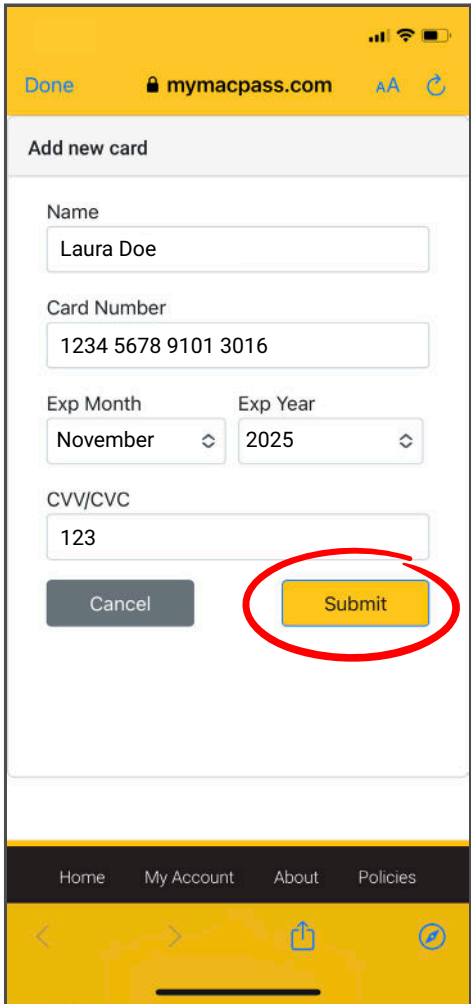

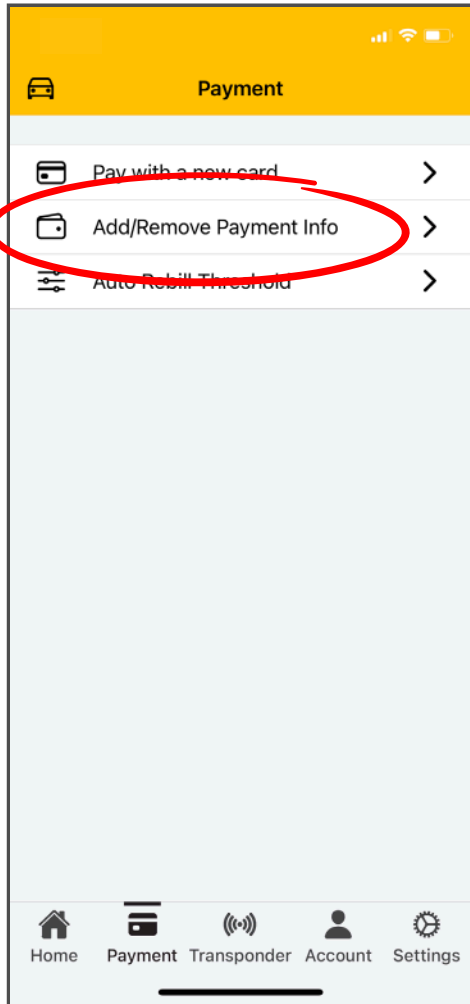

Step 1

Using the MACPASS App, log into your MyMACPASS account and find the Payment section.

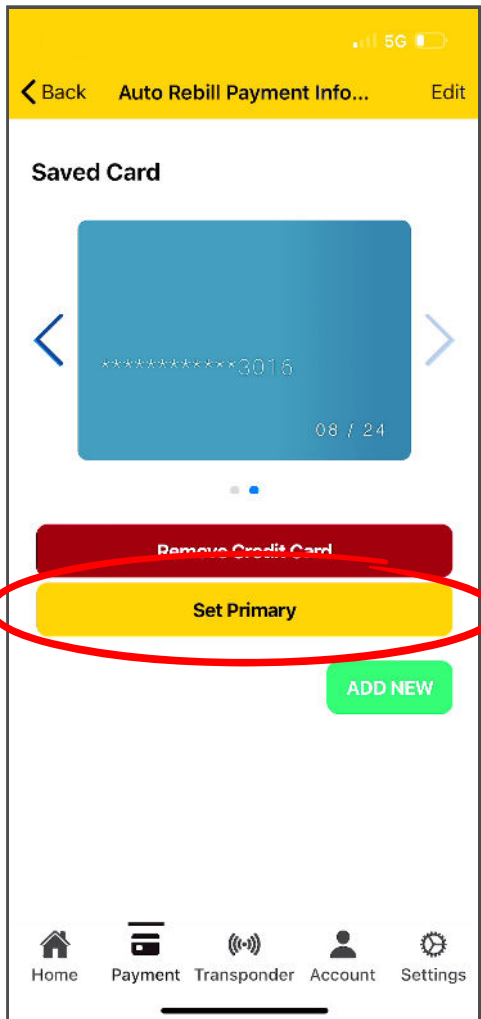

Step 2

To add a new credit card for Auto-Replenishment, select “Add/Remove Payment Info” and from there, click the “Add New” button. On the next page, add your credit card details and click “Submit”.

Step 3

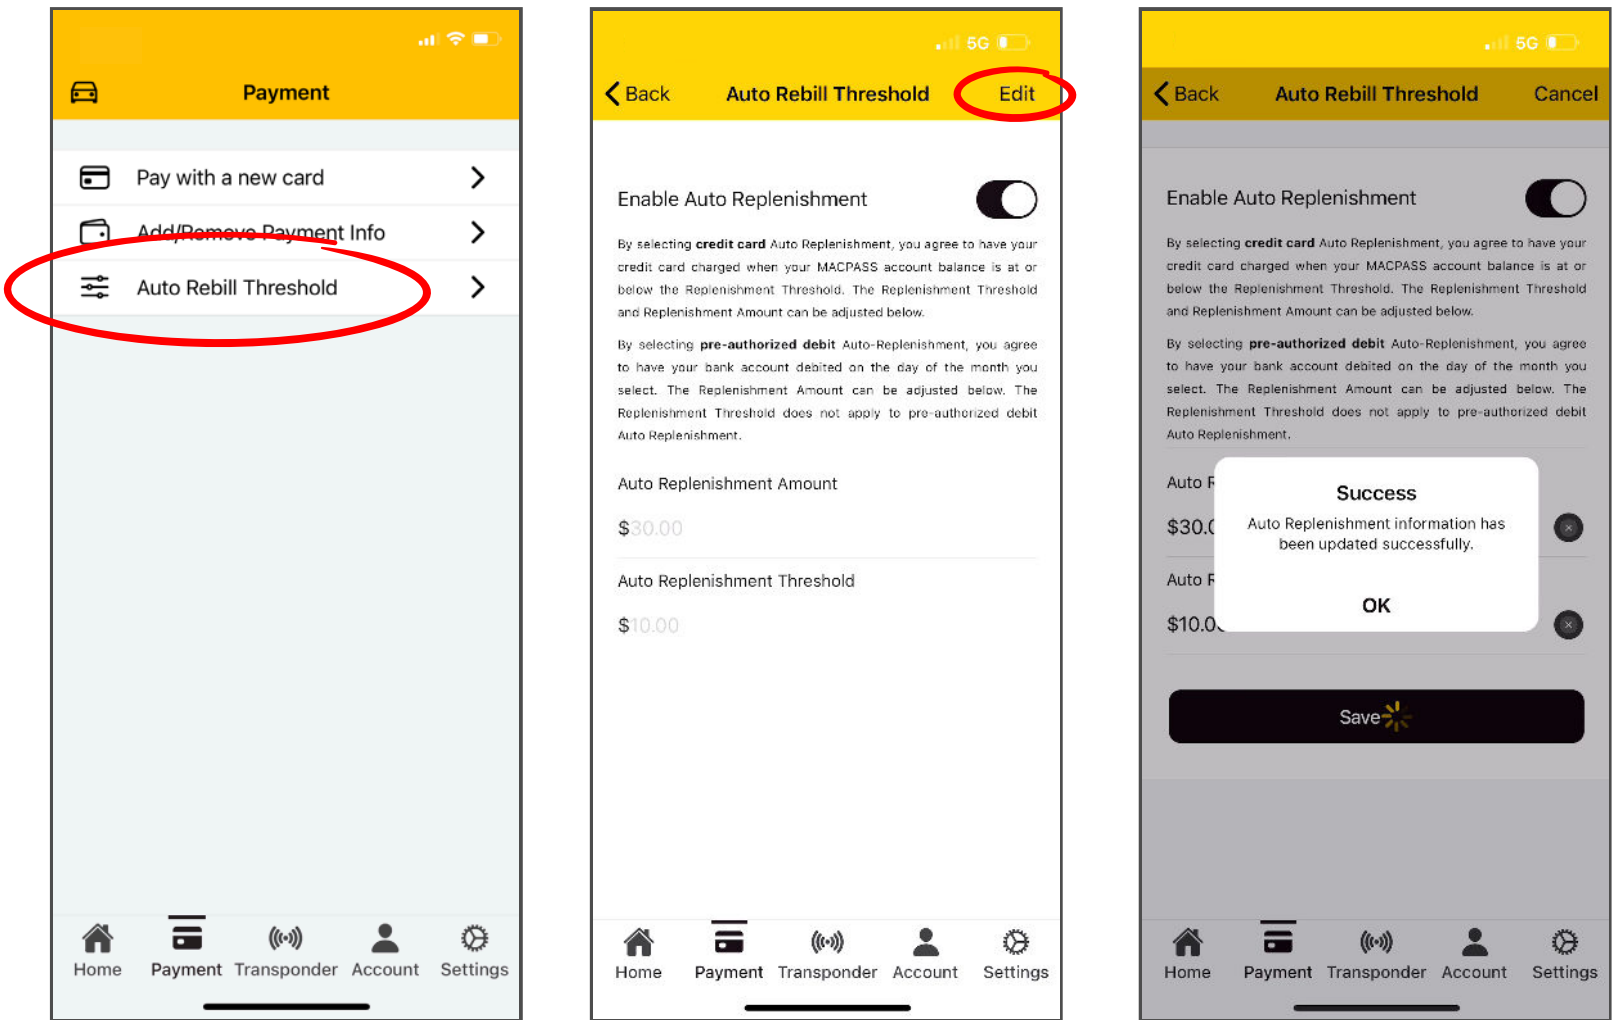

To select a default payment card, select the “Set Primary” button. This only pertains to customers with more than one credit card added to their account.

Updating Your Payment Info on the MACPASS App

Step 4

To update your Auto-Replenishment Amount, find “Auto Rebill Threshold” in the Payment section and click Edit, then adjust your amounts.
